### What Other Schools Have To Say:

"Thank you SO much for today! Both shows were GREAT! Teachers were coming up to me after the show to tell me how good it was and how much they loved it! I even heard that it was the best that they had ever seen! I know that it is definitely my favorite! I know that our kids here at Hillside LOVED it!"

Lisa Bowe, School Counselor  
Hillside Elementary School  
Livingston, N

"As a new teacher I was very impressed with how Chris was able to maintain the attention of all grade levels for the entire 45 minutes. I loved how he tied in reading and the growth mindset as well as magic tricks. I would enjoy seeing some of his other performances, and I hope we can have him back in the future."

Melinda Nichols, Literacy Specialist  
Prospect Elementary School

"Cris' program was extremely well-planned, organized and age-appropriate. The message of the event was clear and well presented as he interacted well with the children. Most of all, Cris was so easy to work with!"
