

CRIS JOHNSON'S AMAZING SCHOOL ASSEMBLIES

The PERFECT Reading School Assembly!

This program is designed to get your students excited about reading! It's been called the perfect kick-off for a P.A.R.P. (Pick A Reading Partner) campaign by many of Cris Johnson's past New York clients.

Students of all ages will benefit from the encouragement to read because it's FUN as well as MANY reasons why it's absolutely necessary to have good reading skills throughout life.

Here's What Past Clients Have To Say:

"Cris was fabulous! He had the students glued to him the entire time and even had the adults laughing. The students completely understood the important message and went home telling their parents..."

"Cris' program 'I Love to Read' was incredible. It culminated with Eggert Elementary Schools month long PARP (Parents as Reading Partners) program perfectly. He not only captivated the students and teachers with his magic, he effortlessly interwoven the importance of reading. He had complete control of the audience and even got the students to voluntarily leave silently. He was a pleasure to work with and had an understanding of the school climate and the needs of the teachers. I highly recommend Cris without hesitation."
